Hi Nick,

I may not be at the facility because I will be going to the water company for a meeting with WV DEP at lunch time. One of the START contractors [Ex. 4 - CBI] Will be there to give you the flashdrive if I am not back in time.

Thanks,
Melissa

Hi Nick,

I don't know if you are working tomorrow, if you are the flashdrive will be available after noon. If you are not then I will be at Freedom Industries Facility on Monday 1/27 at 8am.

Thanks,
Melissa
